OUR STORY AND THE SPIRIT OF 76'

Where you sit today holds so much history and we strive to keep the spirit alive! As far back as “The Chase House” this restaurant location at 76 Wharf St has been a gathering spot to both tourists and locals. Longboards started as a small variety store located on the other side of the courtyard and has grown into this location here at 76. Whether you are here for a spirited cocktail or visiting town to look for ghostly spirits..keep the spirit alive!

Welcome to Longboards!
